

CAMERA LENSES

A camera's lens is one of the most important elements of a camera system because they form and focus the image that is recorded. PS' lens inventory stands at the forefront of modern optical technology and performance. PS Camera carries lenses from the world's best manufacturers including, Cooke, Arri, Angenieux and Zeiss. From master and ultra primes to ultra 16s and lightweight zooms, PS has a lens that is right for you.

LIGHTING

Our in-house technicians are meticulous when it comes to cleaning and maintenance so you can be sure our lenses will offer the very best optical and mechanical performance each and every time.
