

DOLLIES & JIBS

At PS we can get you rolling with a wide selection of dollies, track mounts and accessories. PS' lighting and grip department offers dollies from Chapman-Leonard and Fisher along with jib arms from Fisher, EZ Jib and Matthews.

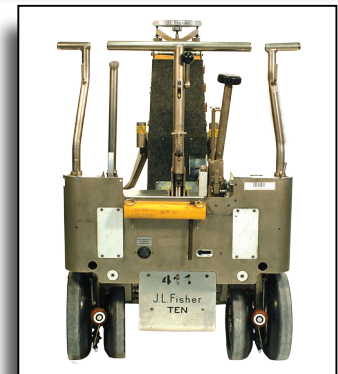

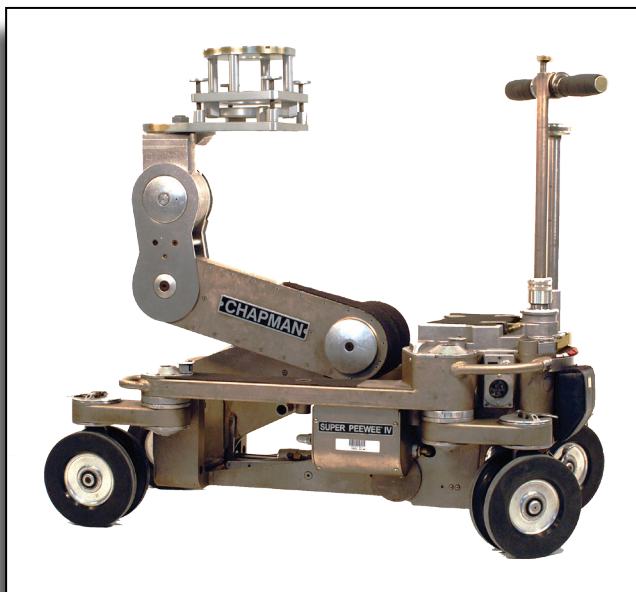

At PS, our in-house technicians put all of our dollies, jib arms and accessories through a rigorous inspection and testing process to ensure that our equipment is in proper working condition at all times. The PS I've Been Checked process is our guarantee to you that when our equipment is on set it will perform like it should.
