LIGHTING

PS' lighting equipment is second to none and satisfies the world's most demanding DOP's, gaffers, lighting directors and production managers. We have an extensive and well-maintained equipment selection featuring top brands such as Arri, Mole Richardson, Lite Panels, Kino Flo and Chimera. Our lighting packages are not only tailored to suit your individual production requirements, budget and schedule, but we also bring our unparalleled knowledge, experience and innovation to every project. Our signature PS I've Been Checked approach to service means that our gear goes out the door in top condition with every detail checked and rechecked.
